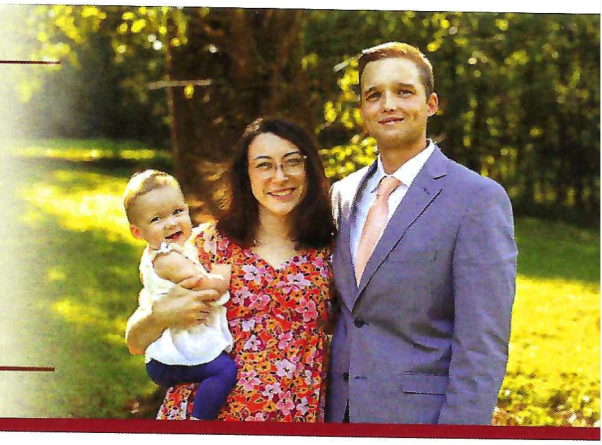
CHURCH PLANTING MISSIONARIES TO

MEXICO



Dear Prayer Warriors and Supporters,

August 2026

What a month it has been! We have seen God continue to work in our lives and ministry in some incredible ways.

This month, we were able to be in 11 churches, starting the month in South Carolina and ending in Florida. We are so thankful for every church that has allowed us to come, share our burden for Mexico, and tell others about what God has called us to do.

About halfway through the month, I also had the opportunity to take a trip to Mexico. I was able to spend a week there with my field director, Bro. Fred Kindheart, and a pastor friend from Arkansas, Bro. JT. We had a wonderful time attending a pastors conference and fellowshipping with pastors and missionaries there. I was also able to visit the Allinson family in Mexico City. It was such an encouragement to see them and to see how God is truly blessing their ministry there.

That trip only made us more excited and eager to get to Mexico ourselves. We are so ready to get there! Every church that partners with us, every person who prays for us, and every dollar given toward our support brings us one step closer to getting to Mexico and beginning the work God has called us to do.

As of this month, we are currently at 48% of our needed support! It is amazing to look back and see how the Lord has provided every step of the way. He has opened doors that we could never have opened ourselves and has provided exactly what we have needed, when we have needed it.

We want to take a moment to sincerely thank every single person who is praying for us and every church and individual who has partnered with us to get the Gospel to Mexico. We could not do this without you. Your prayers, encouragement, and financial support are helping make it possible for us to take the Gospel to the people of Toluca, Mexico.

Please continue to pray with us as we travel, meet with churches, and continue raising the support we need. Pray that God would continue to open the right doors and provide the remaining support in His timing. Most of all, pray that God would prepare us and the people of Mexico for the ministry ahead.

48% down, and we are trusting God for the rest!

Thank you for praying. Thank you for giving. And thank you for helping us get the Gospel to Mexico!
