Dear Pastor and praying friends,

Ps. 52:1b, "...the goodness of the Lord endureth continually."

I'm so glad for Hebrews 13:8, "Jesus Christ the same yesterday, and today, and for ever." What a wonderful God we serve, the only true and living God, and He is so good to us every day.

God has been so good to us and I do know that some of your are going through very difficult times, but it's good to know His goodness shall endure.

Like others have said before, I don't have a sad story to tell. God has been so good and has allowed us to have a small part in His awesome plan. I never tire of telling of the old rugged cross and His saving grace.

I have several open dates if anyone would like us to come by to give an update and try to allow the Lord to use us to share about what God is doing in our lives and ministry. We desire to stay faithful, sometimes plowing, sometimes sawing, sometime watering, but it's God that gives the increase!

If we can ever be of help in any way, please let us know.

Travel Times

Thank you for your prayers for our trip to Mexico in August. The Lord greatly blessed, and one of the souls saved was this 82 year old lady in the picture with Bro. JT Baskin and myself. What a miracle to live all those years in religion but not knowing how to be saved, then God showing you how to be saved.

Let me share another picture the national pastor sent me recently. He said she is faithfully coming to church. This is her walking into the church patio in the rain! At 82 years old, she is a newborn Christian now on her way to heaven. This is fruit to your account. Thank you for your prayers and support.

Printshop News

Just want to thank you for your prayers and support as well for the printshop. Tracts are being printed, and the seed of the Gospel is still being shared around the world.

Thank you so much for all you do for missions. God bless and use all of you,

Fred A. Kindhart
