SENDING THE LIGHT

to Iceland

Alexander & Sheree Izabella, Nickoli, & Melody

3rd Quarter 2026

Dear Pastors and Friends,

Hello again! It is a pleasure to write to you all. We want to begin by offering our sincerest thanks to each and every one of you who has partnered with us financially and prayerfully to reach Iceland with the gospel and fulfill the Great Commission. We are very grateful for the opportunity the Lord has given us to serve in Iceland, and this ministry is possible only with your help. We pray that the Lord will bless each and every one of you.

It is update time! We had a small interruption when the transmission in our Expedition had to be rebuilt, but it is now back on the road. We have traveled quite a bit during this past quarter, and the Lord has allowed us to partner with several more churches. This has been a major answer to prayer, and we are excited to report that we have reached 96% of our monthly support. We also have our final meetings scheduled for the next few weeks, and we are praying that it will bring us to 100%. This is a huge milestone, and the finish line is only weeks away. We have also received our case numbers from Icelandic immigration. Lord willing, our applications will be finalized and approved soon, and we ask that you be in much prayer for this matter. In addition, we have received 82% of our moving expenses. We just need one final push to be able to move and begin the work.

During this time of transition and preparation, we will not be sitting idle after we finish our meetings. The Lord has opened a door and given us an opportunity to go to Iceland while we wait for immigration approval. We will spend three weeks there during October and November. We are trusting the Lord to provide the finances for this trip. We will not use any of our moving expense funds; so the trip will be paid for out of pocket.

During this time, the Weimer family will be Stateside attending several meetings and conferences, and we have been invited to help fill in for them. This is a major opportunity for us. We will be able to build relationships and develop friendships with the church and with the Sears family, who also serves there. We will also survey several towns for potential housing before we move. In addition, this trip will allow us to experience Iceland during the fall transition into the winter months and prepare for the change.

Please be in much prayer for our upcoming trip to Iceland, our final meetings, the remaining moving expenses, and the immigration process. Please pray specifically that our visas will be approved.

Sincerely,
The Larsons to Iceland
