JULY & AUGUST - 2018

Our trip to Brazil for July & August was canceled due to the truckers strike, and uncertainty of being able to accomplish what our small team had planned.

As I think back over the past 4 years, since our field director suggested we become “International Assistance/Relief Missionaries”, I am amazed at the opportunities the Lord has given me to serve Him in foreign fields. Doors have been open for us to serve in **Portugal, Mexico, Honduras, Brazil, South Korea and The Bahamas.**

Portions of Scriptures distributed has reached close to **100,000** copies, with some 70 professions of faith in Christ, that were recorded. The Seed of God's Word has been sewn and it will no doubt bring forth much fruit to God's glory until Jesus returns! Places we could not stay, God's Word remains & will be read by those who received copies.

On the horizon: At least three more foreign trips are “**open doors**” of opportunity that we hope to follow up on, as the Lord provides the finances. Several thousands of dollars will be needed for these trips. My participation on these trips will depend on the generosity of God's people.

Invitations to distribute Scripture portions in **Granada** and another in **Monterrey, Mexico**, as well as a trip to **Joinville, Brazil** are all depending on the Lord meeting the financial needs.

Prayers are needed: Not only financially, but for our health. I realize at some point in time I will not be physically able to do what I am doing. But as long as the Lord supplies and our health holds up, I am ready and willing to go!

On another exciting note: Charlotte & I again celebrated another wedding anniversary, this time it was our 59th. We are hoping to make the big “60” next year! Then we also commemorated our “baby” boy's 44th birthday. Our oldest will soon be 58.

In closing: We welcome the opportunity to be in your church. My cell: 770/823-9283

Sincerely yours - Drs. Phillip & Charlotte Allen
