Dear Pastor and Co-Laborers in Christ,

I am currently just south of Louisville, KY getting ready to enjoy Camp Meeting at Maryville Baptist Church in Hillview. After this meeting I will be heading out to New Mexico and Arizona.

The Lord recently opened doors for me to present our ministry to new churches and to be able to minister with them. I was able to preach at a Corrections Facility the other day in Farmington, MO and during the invitation five inmates raised their hands stating that they had trusted Christ as their personal Savior. It was such a thrilling time to be able to preach in the jail once again. I was also able to take part in door-to-door soul winning efforts there and the Lord gave us several opportunities to witness to people. I would ask you to help me pray for a man named Richard and a woman named Brandy. They allowed me to speak to them in depth about the Bible and salvation even though neither trusted Christ as their Savior (yet).

Patsy was able to lead a young girl to the Lord at our home church as well. I am traveling solo this time, but it was great to have her call me and share the good news. Please pray for her and Daniel in my absence. Lord willing, I will be home around the 1st of June.

Thank you for your continued prayers for Daniel. His broken ankle seems to be healing and his heart doctor said that everything seems fine. He is finally able to walk without crutches and is now in a brace. He will be seeing a neurologist in May and we hope that those tests will come back with good results as well. Please continue to pray for him.

I am looking forward to being at Cowboy Camp with Dr. Don Chitty in Waterflow, NM the second week of May and then visit with some of my missionaries in the Southwest. It will be exciting to see what the Lord has been doing in their ministries since my last visit.

Please continue to pray for us as we try to recovery lost support. We are so thankful for your unwavering prayers and support. Thank you for the kind words of encouragement that we receive from some of you from time to time as well. It's amazing how those letters/cards arrive right on time. Let's keep on the firing line and do our best to make a difference till Jesus comes. Souls are in the balance.

In Christ,
Bro. John Beck
