

## Macedonia World Baptist Missions, Inc. Newsletter • December 2018

Dear Friends,

The office staff here at Macedonia World Baptist Missions greets you in the name of our Saviour, the Lord Jesus Christ. We are honored to labour with you to reach the world with the Gospel. Your faithful prayers and financial partnership continue to sustain us as we determine to remain steadfast for the task God has called upon us to do. We could not do it without you! Therefore, from the bottom of our hearts we thank each of you. Thank you for your faithfulness. Thank you for your friendship. Thank you for allowing God to use you in a great way to be a blessing to so many other local churches and missionary families through the ministry of Macedonia. I am firmly convinced that only eternity will reveal the ultimate value of our labors together.

The last several months have been very busy for our office staff. We have spent a great deal of time the last few months preparing for our Labourers Together Conference. God has used this conference in the past to raise awareness of the need for churches to partner with our home office on a monthly basis as they would any other missionary. Since MWBM is a faith-based missions agency, we do not require a service fee of any kind from the local churches and missionaries we assist. Therefore, in order for the financial needs of our home office to be met, we must raise the needed support. During the conference we were blessed to host 35 different local pastors and their wives as we expressed to them this great need. I have already heard from several of the pastors that were with us who are planning on presenting the need to their churches. We are praying God would continue to work in a mighty way on our behalf so that we can continue to work on behalf of local churches who are sending their missionaries around the world free of charge. Would you join us in prayer concerning this need?

I also want to thank those of you that sent designated gifts for our "Parking Lot" fund within the last quarter. We are continuing to set aside a portion of our monthly income for these much-needed repairs. Thank you for continuing to pray about this need as well. We firmly believe in God's time and in God's way the need will be met.

You know as I mention various needs in this letter, I trust we will never lose sight of the much greater need for which the Bible is abundantly clear. The much greater need is that of reaching the world with the Gospel while we have opportunity to do so. Just a few months ago my predecessor, Dr. Thurman Wade went home to be with the Lord. While reminiscing about his life and legacy one day not long after his funeral, a quote of his came to mind. Dr. Wade would often say, "The King's business requires haste." And certainly what was true when he first said it, still rings true today. What we do for Christ, we must do quickly. Thank you again for realizing that and therefore continuing to partner with us for the cause of our wonderful Lord. After all, it was the King Himself that said in John 9:4, "I must work the works of him that sent me, while it is day: the night cometh, when no man can work."

May we all keep up the good work for Christ.
