

# The Paquette Family Missionaries to the Hispanics

January,  
2018

*Nehemiah 2:18 Then I told them of the hand of my God which was good upon me; as also the king's words that he had spoken unto me. And they said, Let us rise up and build. So they strengthened their hands for this good work.*

The Lord has been especially gracious to us in 2017, but we know there is still so much to do. May the Lord help us to continue the “good work” in 2018 and see so many more lives impacted because of the ministry He has given to us.

### **Iglesia Bautista Calvario - Statesville, NC**

We are doing our best to encourage the congregation. We have so many opportunities, but many are so entangled in their work and the world that it is hard to get them to come to church. We have had a lot of sickness and that has effected our attendance. The Lord continues to work and we are excited for the visitors that are coming and the increase in attendance that we have seen over the last couple of weeks. Ariel Salgado came with a very serious family need and he left the service with hope after accepting Christ as his Savior.

We had our first class for our Bible Institute and had six students. We are so excited for what the Lord is going to do through this ministry. They are required to complete other things outside the classroom that will aid in their Christian growth and development.

### **Misión Bautista Calvario - Colonial Heights, VA**

We continue the Sunday morning services and have seen the Lord work and help as we start this new work. David Stroud and Rolando Hernández, preachers from our Hispanic church, have been helping to go up most every weekend. Our family goes up once a month. We are averaging between 7 and 17 in the services. We are praying for the Lord's leading to have someone be able to do it more full-time.

### **Hispanic Prison Ministry - Mountain City, TN**

In December we had a special meeting for any Hispanic inmate that wanted to attend. We prepared a Mexican meal, fed them, and then gave a salvation message. We had 22 in attendance and during the invitation 6 made a profession of faith in Christ. Pray with us as we follow up with each of them and get them in a discipleship program.

### **Spanish Bible Distribution**

Through a connection in the American church, we have been able to get cases of Spanish bibles to send to needy churches in Hispanic countries. So far we have sent one case to Columbia, South America and three to Mexico. Some are drop shipped directly and some we pay the shipping. What a great opportunity!

We thank the Lord for His continued blessings on our family. The girls were able to go to a youth retreat recently and the Lord spoke to their hearts. They do so much for the Lord and I am very thankful for how the Lord has helped them. Please pray for Robyn as she splits her time between home, the church, and school. We covet your prayers as we seek the Lord in all that He leads us to do.
