

The Paquette Family Missionaries to the Hispanics

September,
2018

Iglesia Bautista Calvario - Statesville, NC

Praise the Lord for all He is doing in our midst. We have seen the Lord add to the church and save souls. We had had a lull in the ministry for a while. We were traveling a lot trying to raise support and the church began to suffer. After much prayer, we have determined to limit our traveling so that we could refocus on the work. There is a very sweet spirit within the church and the Lord is doing a work in hearts through the preaching of His word. We have seen a steady increase in the work and a number have accepted Christ as their personal Savior. Please pray that the Lord would increase our faith and help us to see the mission field around us.

Misión Bautista Calvario - Colonial Heights, VA

Bro. David Stroud continues to be our ambassador at the mission in Virginia. He is doing a tremendous job and the church is seeing some growth. We had a chance to be with them this past week and we had 29 in attendance. Many raised their hands concerned about their eternal destiny. Please pray for them and for Bro. David.

Hispanic Prison Ministry - Mountain City, TN

We have not been able to go as much as we had in the past, but each Bible Study that we have has shown an excitement within the inmates that are attending. There is another group in there that does not preach and teach sound doctrine. Please do pray that the Lord would help us to share the truth with more inmates.

Spanish Bible Distribution

We have two more boxes that we are planning on distributing to area churches as well as to churches we will be visiting on our missions trip to Colombia, South America. Please pray that we can be a blessing to Hispanic churches with the Word of God.

Hispanic Work in Burlington, NC

Praise the Lord for his wondrous work in providing the church in Burlington with a new place to meet. They are so excited. I had the privilege of preaching in their special opening meeting. Four were saved in that meeting and Robyn and I had the blessing of leading a young Hispanic lady to the Lord. The church is growing and were able to find a new pastor for the work.

2018 Missions Trip to Colombia, S.A.

We will be leaving on the 22nd of September for Bogota, Colombia, South America. The Lord has given us a tremendous open door. I will have the opportunity to preach in four different churches and we will be visiting in an orphanage for abandoned children. My son James has been asked to speak to the teens two different times as well. Please pray that the Lord would use us greatly while there.

Please pray for Eva as she has entered her freshman year at Crown College.
