March 2019

Greetings in the lovely name of Jesus! Like most of you, we have hit the trail hard since we began 2019. Our travels so far this year have taken us to meetings in MO, NC, OK, SC, SD, & TX. We actually spent most of Dec. & Jan. in Texas, seeking for a home for our family as well as a meeting place to start the church in. This year holds so many new and exciting things for our family and ministry as we are quickly approaching the end of our deputation portion of this journey and press towards the planting stages of Harvest Baptist Church.

We are so thrilled to share some very exciting news with you now. While we were in TX during the first week of January, God led us to a meeting place in Allen. I was a bit hesitant at first, because I really didn't think it would work out. I'm so thankful for the patience of the Lord! It's a really long story, but to say the least God opened a huge door of opportunity for us in Allen. We now have secured a meeting place for at least the whole first year for Harvest Baptist Church! We will begin holding services in the Community Room inside of Allen City Hall in November. We will have a Gospel Sing/Get Acquainted Meeting on Sat. Nov. 9th & Grand Opening Services Sunday Nov. 10th 2019! What a blessing! Praise God!!

With all of this exciting news, there are many needs that still need to be met. We will take a little more space here than normal, just to be as detailed as possible in regards to some of our most pressing needs and prayer requests. We are working with a realtor to secure the right home for our family. Please pray for God to show us exactly which home is for us. As of this writing we still need around 30 more churches and/or individuals to partner with us financially, so that we can give ourselves to the work of planting Harvest Baptist Church. We have had some money designated and set aside for our startup costs. However, we still need to raise more due to the high costs of mass mail postage for 10,000 homes, materials, and a list of other things that we need. Above every material need that we have, is the need we have for God's wisdom, guidance, and protection for myself and my family. We need our God to move in the hearts of the people of Allen, TX and the surrounding areas in a vital and desperate way! Oh, how we long to see God save the lost and revive the saved!

Finally, we just want to say THANK YOU!! Thank you to each and every one of you who read our letters, to all who pray, to those who give of their finances, and to those who just help us to stand strong on the Old Paths of God and help us keep on the firing line. We acknowledge that our help comes from the Lord, but we simply could not do what we do without the help and encouragement of churches/individuals just like you!! Thank you!

In Christ,
The Leake Family
Matt. 9:38
